

# 2020 Calendar

As previously advised there will be a calendar produced for 2020. Some people have been busy with 35 photographs received already, each and every one of them are terrific pictures.

The few basic rules are:

- Preferably by amateur photographers
- Must be landscape format
- Minimum 1 megabyte or a quality print that can be scanned
- Featuring Sidescreen or Derivative cars and not people. What this means is that the car should be the feature of the photo not the people although photos with cars used as wedding cars etc are welcome. The aim is to showcase our cars being used so if there are any historic or period photos that you think might be suitable please send them. Good quality black and white photos that can be scanned to an acceptable standard are welcome. If in doubt give me a call or email, the details are below.

Entries close 30<sup>th</sup> June, photos selected will earn the member who submitted them a free calendar.

Photos to be emailed to [bobtr3@gmail.com](mailto:bobtr3@gmail.com) or any questions to Bob Watters 0408 502 350
